PUBLIC COMPLAINTS

Reference: 20 USC 1232h

Any person or group, having a legitimate interest in the operations of this School shall have the right to present a request, suggestion, or complaint concerning Educational Service Provider (Hereinafter referred to as "ESP") personnel, the program, or the operations of the School. At the same time, the Board of Education has a duty to protect ESP staff from unnecessary harassment. It is the intent of this policy to provide the means for judging each public complaint in a fair and impartial manner and to seek a remedy where appropriate.

It is the desire of the Board to rectify any misunderstandings between the public and the School by direct discussions of an informal type among the interested parties. It is only when such informal meetings fail to resolve the differences, shall more formal procedures be employed.

Any requests, suggestions, or complaints reaching the Board, Board members, and the ESP shall be referred to the Principal for consideration according to the following procedure.

MATTERS REGARDING AN EDUCATIONAL SERVICE PROVIDER STAFF MEMBER

First Level. If it is a matter specifically directed toward an ESP staff member, the matter must be addressed, initially, to the concerned staff member who shall discuss it promptly with the complainant and make every effort to provide a reasoned explanation or take appropriate action within his/her authority and School administrative guidelines. This level does not apply if the matter involves suspected child abuse, substance abuse, or any other serious allegation which may require investigation or inquiry by school officials prior to approaching the ESP staff member.

As appropriate, the staff member shall report the matter and whatever action may have been taken to the Principal.

Second Level. If the matter cannot be satisfactorily resolved at the First Level, it shall be discussed by the complainant with the staff member's supervisor (and in compliance with provisions of a collective bargaining agreement, if applicable).

Third Level. If a satisfactory solution is not achieved by discussion with the Principal, a **written** request for a conference shall be submitted to the ESP. This request should include the:

- specific nature of the complaint and a brief statement of the facts giving rise to it;
- respect in which it is alleged that the complainant (or child of the complainant) has been affected adversely;
- action which the complainant requires taken and the reasons why it is felt that such action be taken.

Fourth Level. Should the matter still not be resolved, or if it is one beyond the ESP authority and requires a Board decision or action, the complainant shall request **in writing** a hearing by the Board. The Board, after reviewing all material relating to the case, may provide the complainant with its written decision, or grant a hearing before the Board.

MATTERS REGARDING THE EDUCATIONAL SERVICE PROVIDER

Should the matter be a concern regarding the ESP which cannot be resolved through discussion with the ESP, the complainant may submit a **written** request for a conference to the Board. This request should include the:

- specific nature of the complaint and a brief statement of the facts giving rise to it;
- respect in which it is alleged that the complainant (or child of the complainant) has been

affected adversely;

- reason that matter was not able to be resolved with the Educational Service Provider;
- action which the complainant wishes taken and the reasons why it is felt that such action should be taken.

The Board, after reviewing the request, may grant a hearing before the Board.

The complainant shall be advised, in writing, of the Board's decision within thirty (30) business days. The Board's decision will be final and not subject to appeal.

MATTERS REGARDING SCHOOL SERVICES OR OPERATIONS

If the request, suggestion, complaint, or grievance relates to a matter of school procedure or operation, it should be addressed, initially, to the Principal and then brought, in turn, to the central office of the ESP. If ESP cannot resolve the matter, the complainant may bring matter to the Board's attention as described in "Matters Regarding the Educational Service Provider."

MATTERS REGARDING THE EDUCATIONAL PROGRAM

If the request, suggestion, complaint, or grievance relates to a matter of School program, it should be addressed, initially, to the Principal and then brought, in turn, to the central office of the ESP. If ESP cannot resolve the matter, the complainant may bring matter to the Board's attention as described in "Matters Regarding the Educational Service Provider."

MATTERS REGARDING INSTRUCTIONAL MATERIALS

The Principal shall prepare administrative guidelines to ensure that students and parents/guardians are adequately informed each year regarding their right to inspect instructional materials and the procedure for completing such an inspection. (see AG 9130A and Form 9130F3).

If the request, suggestion, complaint, or grievance relates to instructional materials such as textbooks, library books, reference works, and other instructional aids used at The Dearborn Academy, the following procedure shall be followed: The criticism is to be addressed to the Principal, in writing, and shall include:

- author;
- title;
- publisher;
- the complainant's familiarity with the material objected to;
- sections objected to by page and item;
- reasons for objection.

Upon receipt of the information, the Principal may, after advising the Administrator of the

complaint, appoint a review committee which may consist of:

- one (1) or more professional staff members;
- one (1) or more Board members;
- one (1) or more lay persons knowledgeable in the area.

The Principal shall be an ex officio member of the committee.

The committee, in evaluating the questioned material, shall be guided by the following criteria:

- the appropriateness of the material for the age and maturity level of the students with whom it is being used;
- the accuracy of the material;
- the objectivity of the material;
- the use being made of the material

The material in question may be withdrawn from use pending the committee's recommendation to the Administrator.

The committee's recommendation shall be reported to the Principal in writing within thirty (30) business days following the formation of the committee. The Principal will advise the complainant, in writing, of the committee's recommendation and advise the Board of the action taken or recommended.

The complainant may appeal this decision, within thirty (30) business days, to the Board through a written request. The ESP shall forward all written material relating to the matter to the Board.

The Board shall review the case and advise the complainant, in writing, of its decision within sixty (60) business days.

No challenged material may be removed from the curriculum or from a collection of resource materials except by action of the Board, and no challenged material may be removed solely because it presents ideas that may be unpopular or offensive to some. Any Board action to remove material will be accompanied by the Board's statement of its reasons for the removal.

EXPECTATIONS FOR STUDENTS

Appropriate behavior is expected at all times while students are at school. "At school" includes: in the classrooms, anywhere in the school building, on a school bus or other school-related vehicle, or at a school-sponsored activity or event, whether or not it is held on school premises. 5. Encourage students to participate in classroom, extracurricular, and other school-related activities.
6. Know and enforce the rules and policies consistently, fairly, and equitably.

Truancy: Unexcused absence from any class.

Tardiness: A student is tardy when he/she is not present at the beginning of any class period. An accumulation of tardies will be converted into absences. As such, three (3) tardies is equal to one (1) unexcused absence.

- In the event of an absence, parents/guardians must notify school personnel in the main office by **9:00 a.m.** on the day the student misses classes.
- Students are required to complete **all** classwork and homework assignments missed due

to any absence. It is the student's responsibility to contact his/her teachers to arrange make-ups.

- The school does not excuse any absence or tardiness without valid documentation.
- Skipping or leaving a class during the school day is not permitted. Students engaging in such activities will be considered truant. The teacher will notify the main office immediately and disciplinary actions will be taken.
- For safety purpose no student will be released to any person under the age of 18 or without valid identification. The person must be on the student's emergency card. Exceptions must be approved in advance.

- The staff shall take appropriate action when an unexcused absence or tardiness occurs. The action taken will be designed to correct any attendance problems posed by individual students.
- Students will only be allowed to walk home when a walker form is on file with the main office. All staff will be notified of students with completed walker forms.

The following policy pertains to each individual teacher's classroom. This policy will be implemented each quarter and students will start with zero tardies at the beginning of every quarter.

6 Tardies = Student/Teacher "conference"

SCHOOLWIDE DISCIPLINE

TDA has adopted a schoolwide Positive Behavior Intervention and Support system (PBIS). A PBIS school provides a consistent, predictable, and fair use of consequences for all students. It is designed to teach respect, responsibility, and safety. Everyone, students, families and staff, is expected to make sure that TDA is a safe place that nurtures personal responsibility for actions and respect for self and others.

A teacher or staff member will use age appropriate disciplinary action/s to correct a student whose choices are outside of the behavior expectations and matrix. When the student responds in a positive manner, no further action will be taken. The student's parent/guardian may be called. Possible consequences for noncompliance within the PBIS behavior expectations can include (but is not limited to): redirection, warnings, loss of privileges, restitution, student and/or parent conference, lunch detention, progress reports, after school detention, weekend detention, out of school suspension, behavior plans, expulsion, etc.

Students who are repeatedly violating the school expectations are at risk for more severe consequences like out of school suspension and/or expulsion. Parents/guardians will be notified of any significant student consequences. Parents/guardians may need to schedule a reentry meeting in order for their student to return to TDA.

RULES AND REGULATIONS OF CONDUCT

A. Introduction

All students who attend The Dearborn Academy will be expected to follow all the rules and regulations. The purpose of these rules and regulations is to provide an atmosphere that is conducive to learning and to prevent behavior that interferes with the academic progress of the students. Rule violations will result in sanctions according to the nature and number of violations.

The State of Michigan Board of Education's mission is: "All students graduate ready for careers, college, and community." This goal can only be achieved if students within schools are pursuing their education to its fullest. PERSONAL ELECTRONICS POLICY

Definition: wireless communication devices are devices that emit an audible signal, vibrate, display a message or otherwise summons or deliver a communication to the possessor.

Examples of wireless communication devices include cellular and wireless telephones, MP3 players or iPods, pagers/beepers, personal digital assistants (PDA's), two-way radios or video broadcasting devices, and other devices that allow a person to record and/or

transmit on either a real time or delayed basis, sound, video or still images, text, or other information.

The staff at The Dearborn Academy knows that technology is important to today's youth. However, we must enforce the TDA board policy with regard to wireless communication devices. This policy requires that while a student is in school, on school property, during ALL after school activities, at school related functions, on school vehicles and during the school's regular hours that all wireless communication devices must be **powered completely off** and **concealed and stored**. *Student electronics that are placed into vibrate or silent mode and are discovered will be confiscated by school staff.*

Moreover, students are prohibited from recording or transmitting words, or images of any student, staff member or other person in the school or while attending a school related activity without the consent of that person to capture, record or transmit the words or images. Students who choose to violate this policy have invaded the privacy of others. ***Any student who violates this shall have their wireless device confiscated and held until the end of the school year.***

Students who choose to participate in the sharing of messages or pictures of a sexual nature are "sexting". This behavior is strictly prohibited on school property or at school functions. This type of behavior puts all involved students at risk for unwanted exposure of the messages and images of others, and could result in criminal violations related to the transmission or possession of child pornography. Such conduct will be subject to school discipline and/or criminal charges and possible confiscation of the wireless device.

There is no expectation of confidentiality that exists in the use of wireless devices on school premises/property.

The use of wireless devices that contain built-in cameras (devices that take still or motion pictures whether in a digital or other format) is prohibited in all locker rooms, classrooms, bathrooms, and other areas of the school.

Students are also prohibited from using a wireless device in the following ways:

- Causing another person to feel threatened, humiliated, harassed, embarrassed or intimidated.
- Using the device to capture or transmit test or academic information
- Using the device to capture or transmit any other information in a manner constituting fraud, theft, cheating, or academic dishonesty.

Students will forfeit their opportunity to possess a wireless device at school if they fail to abide by the terms of this policy or otherwise engage in the misuse of this privilege.

Students are personally and solely responsible for the care and security of their wireless device. The Dearborn Academy assumes no responsibility for theft, loss, damage, or vandalism to any wireless device brought onto school property, or the unauthorized use of a wireless device.

Parents/Guardians should be advised that the best way to reach their child during the school day is by calling the school main office at 313.982.1300.

Students will be permitted to use school phones to contact their parent/guardian during the school day as the need arises.

VIOLATIONS OF THE ELECTRONICS POLICY

Students who choose to violate the electronics policy as outlined above will be subject to disciplinary action and/or confiscation of their wireless device. Certain violations may require the school administration to notify law enforcement if the violation involves an illegal activity (ex: child pornography).

Discipline will be imposed progressively ranging from a warning to possibly an expulsion based on the number of previous violations and/or the nature of the circumstances surrounding a particular violation.

The following procedure will be followed for typical (not requiring law enforcement notification) violations of the policy:

1. Staff member will issue a warning to the student and reinforce the policy of “powered off and concealed” and supervise the completion of this task.
2. Staff member will confiscate (lock up and conceal) the wireless device, submit an Office Discipline Referral to the administration and return the device to the student at the end of the day.
3. Staff member will confiscate the wireless device, and turn the cell phone over to the administration (or the main office in admin absence). Phone will be returned to the parent/guardian upon completion of a meeting with the administration team and parent/guardian. ***This procedure will be repeated each additional time the student violates the electronics policy.***

Discipline Coordinator will follow the following procedures:

1. Contact the parent/guardian and arrange a meeting regarding wireless device policy. At conclusion of the meeting, parent/guardian will receive wireless device back.
2. Student will be removed from the classroom for the remainder of the school day and held for in-school suspension. Parent/guardian will be contacted for a meeting. Student will not be permitted to carry or possess an electronic device at school for the remainder of the school year.
3. If the student violates step 2, the following occurs:
 - a. Parent/guardian will be contacted to pick up their student and a formal meeting will be scheduled.

- b. Electronic device will not be returned to the family until the end of the school year.
 - c. The parent/guardian and student will be required to meet with administration regarding the continued noncompliance of the wireless device policy. The student will be assigned community service hours (Number of hours to be determined by previous violations, parent/guardian/student compliance with previous interventions, and any other criteria that is applicable).
4. Continued noncompliance with the wireless device policy will result in additional consequences up to and including a recommendation for expulsion from TDA.

Please note that any wireless device held by the school will not be searched or otherwise tampered with without the presence of both the student and the parent/guardian, or explicit approval from both. A search would only be held if school officials reasonably suspect that the search is required to discover evidence of a violation of the law or other school rules. Any search will be conducted in accordance with Policy 5771 – Search and Seizure.

STUDENT CHROMEBOOK AGREEMENT

Parents/Guardians and students participating in one-to-one Chromebook program will be required to accept responsibility through a Chromebook agreement, outlining the care and handling, and expectations for student use of school Chromebooks. Included in this agreement is an acknowledgement that students will be responsible for damages to the Chromebook. Chromebook related incidents that occur at school involving multiple parties will be investigated by administration.

VIOLATIONS OF THE STUDENT CODE OF CONDUCT

Below is a list of student conduct code violations and their definitions. Students who commit an act of misconduct is subject to disciplinary action, including a “snap suspension” by a teacher for misconduct in a class, subject, or activity.

The Dearborn Academy will first use intervention strategies with students, including preventative measures such as intensive instruction, social-emotional learning, PBIS, restorative practices, peer mediation, teacher/student conferences, auxiliary staff/student intervention, and teacher/parent/guardian contacts. Certain violations listed below will be referred directly to administration due to the serious and/or unlawful nature of the misconduct. A student accused of **any** violation of the Code of Student Conduct may be referred to the school social worker, school psychologist, in conjunction with or in lieu of other disciplinary procedures. Where the misconduct is subject to mandatory discipline under state law, the school board will act to impose the mandatory sanctions.

Students practice emergency situations: Tornado/Fire/Lockdown

SCHEDULED AND UNSCHEDULED DRILLS WILL OCCUR PERIODICALLY THROUGHOUT THE YEAR.

EMERGENCY CLOSURES: All emergency school closures will be announced on local radio WWJ 950 and TV Channel 2, 4 or 7. Families will also be notified via SchoolMessenger and SchoolTron Parent. All calls are made in 3 languages.

IMMUNIZATION REQUIREMENTS

State law requires that all students, K-12, be immunized against diphtheria, tetanus, whooping cough, measles, hepatitis B, rubella, and polio. The child's grade upon enrollment in our school will determine whether the mumps immunization is required for admission.

- Parents/guardians must provide documented evidence of all immunizations no later than the first day of school.
- No child will be permitted to attend school unless he/she is fully immunized or has begun his/ immunization schedule.
- The only exception to these requirements is for children for whose immunizations are medically contra-indicated or children whose parents/guardians obtain a waiver from the Wayne County Health Department.
- Consult the Principal or office staff for any question.

ILLNESS DISMISSAL

If a student becomes too ill to remain in class, the school will use your child's emergency card information to attempt to notify you; thus it is vital that parents/guardians keep the emergency card information updated. While the parent/guardian is en-route to the school, the student will be made comfortable in the office. No medication, including over-the-counter medicine, will be given.

MEDICATION

In accordance with Federal Law, the Board prohibits the use, possession, concealment, or distribution of drugs by students on school grounds, in school-approved vehicles, or at any school-related event. Drugs include any alcoholic beverage, anabolic steroid, dangerous controlled substance as defined by State statute or substance that -could be considered a "look-a-like" controlled substance. Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action, in accordance with due process and as specified in the student handbooks, up to and including expulsion from school. When required by State law, the School will also notify law enforcement officials.

The Dearborn Academy is concerned about any student who is a victim of alcohol or drug abuse and will facilitate the process by which s/he receives help through programs and services available in the community. Students and their parents/guardians should contact a school administrator or school social work whenever such help is needed.

MEDICATION ADMINISTRATION CHECKLIST AND POLICIES

- Parents/guardians are provided with relevant forms and letters to be completed.
- A specific location is designated for medication administration (main office).
- The medication administration is administered at prescribed time.
- Privacy is provided for the medication administration.

- Verification of medication, child's name, route and dosage prior to administration.
- All over the counter medications must also be distributed through the main office with a compliance form/letter from the family. (Including cough drops or other throat/health lozenges)
- Any and all personnel designated to administer medication will have the proper training.
- A record of the medication administration will be kept for each student receiving medication.
- Safe hygiene practices will be carried out during administration.
- Non-compliance on the part of the student will be addressed with the parents/guardians.
- Staff will verify that information on packaging from pharmacy matches that of physician's authorization.
- Parents/guardians will be notified by staff when a refill is needed or if there is a discrepancy in labeling.

Some students may need to take medication during school hours. Parents/guardians must file an Authorization for Medication form with the school office in order for students to receive over-the-counter or prescription medication in school. The form can be obtained in the Main Office and must be signed by the parent/guardian and the child's doctor. All medicines must be in their original containers and will be kept in the office.

LOST AND FOUND

Lost and Found items will be held in a Lost And Found designated area. Students are encouraged to claim all lost items in a timely manner in order to prevent build-up and overcrowding. All usable items left in the Lost and Found will be donated to an appropriate location on the last day of each month.

HOMEWORK AND MAKE-UP WORK POLICY

Homework is assigned in most classes. Students are responsible for completing all assignments. When a student is absent, it is the parent/guardian/student's responsibility to arrange for makeup work. Students are generally given the same amount of time to make up the work as the amount of time they were absent. For example, if a student is absent 2 days, he/she receives 2 days (including the day of return) to complete the work missed during the 2-day absence.

PLANNER

All students in Grades 3-8 are to have their planner with them every school day. This keeps students organized and helps to prevent the student's forgetfulness on a daily basis. All staff will have students documenting in their planners on a daily basis.

PROMOTION/RETENTION POLICY

Students are generally promoted but are retained when the below conditions are served

1. A student has been absent 30 or more days; and/or
2. A student is two years below grade level in reading, and
3. That student is two years below grade level in mathematics.

This set of criteria is intended as a general guideline and is flexible concerning the individual situation of each student and the prevailing discretion of the Principal.

MICHIGAN'S 3RD GRADE LAW

In October 2016, Michigan passed a law mandating that students who are more than a grade behind in reading skills be retained in 3rd grade. Starting in 2019-20, students who are at least one grade level behind in reading by the end of 3rd grade will be held back, although there are some exemptions. K-3 students must be tested three times a year, and students with reading deficiencies must be given an Individual Reading Plan (IRP).

STUDENT RECORDS

The school records of all students will be kept confidential. The Main Office secretary is the coordinator of records and can be reached at 313-982-1300. The parents/guardians, of students who are under the age of eighteen, are entitled to review their child's school records upon a written request and in the presence of school staff. In situations where the parent of a student are divorced or separated, each parent, custodial and/or non-custodial, has an equal right to view the child's records unless a court order specifies otherwise. At this time The Dearborn Academy does not publish a public directory of student information.

PROGRESS REPORTS

Teachers will issue progress reports at the midpoint of each Quarter.

REPORT CARDS

Report cards will be issued four (4) times per year. The first two (2) report cards will be presented and reviewed at a scheduled parent/teacher conference, the 3rd during student led conferences. The final report card will be mailed out to families at the end of the school year. Students who owe fees will not receive a report card until all fees are rendered.

PARENT/TEACHER CONFERENCES

Parent/teacher conferences are scheduled throughout the school year (please refer to the school calendar for specific dates). In the event that a parent/guardian wishes to contact a teacher outside of these scheduled times, he/she may do so by contacting the office to set up a

mutually convenient meeting time.

****Parents/guardians must make an appointment to speak with a teacher about a child's progress instead of simply "dropping in." This policy is intended to ensure confidentiality and maintain scheduled educational services. ****

TEXTBOOKS

Teachers will issue students textbooks, trade books and/or other materials for the school year. These items are on loan to the student for that period of time. Books should be covered and kept clean.

If the book (or item) is not returned at the end of the school year for which it was issued, the parent/guardian must pay for it. If the book (or item) is returned in poor condition (damaged), the parent/guardian must pay a damage fee.

All student debts must be paid in order to receive your student's final report card, to transfer any student records to a new school, and/or to begin the following school year at TDA.

The Curriculum Coordinator and Classroom Teachers are responsible for coordinating inspections of instructional materials at the school. They can be reached by calling 313-982-1300. Members of the public have the right to inspect instructional materials, including but not limited to print and non-print materials, films, tapes and any other supplementary materials, used as part of the educational curriculum.

SCHOOL SUPPLIES

Essential supplies necessary to meet class requirements will be supplied.

***Other supplies may be required at the discretion of each teacher.**

VISITORS

ALL VISITORS MUST REPORT TO THE MAIN OFFICE

Parents/Guardians and other adult visitors who have legitimate business at the school are always welcome. Upon entering the building, visitors must register in the Main Office and obtain a visitor's badge. They must leave promptly when their business is completed. Students from other schools are not permitted to visit without prior approval from the Principal.

Parents/guardians who wish to volunteer at the school or on field trips must complete a family background check form and return it to the school prior to volunteering with The Dearborn Academy.

SOLICITATION

Students and Parents/Guardians may not solicit any items at school or school functions unless they do so for school-sponsored fundraisers or get prior approval from the Board of Directors/Principal.

VALUABLE MERCHANDISE

Students must not bring valuable items to school. This will prevent the loss or theft of such items. The Dearborn Academy will not be held liable for the loss of personal items.

TRANSPORTATION

The staff in the office needs a list of those persons (over the age of 18 with valid identification) who are authorized to transport each student. The student's parent(s)/guardian(s) need to update The Dearborn Academy faculty and staff about any changes in transportation routines and/or authorization **in writing**.

FIELD TRIPS

Educational field trips will occur throughout the year. Parents/guardians are encouraged to allow their children to participate fully in all field trips. Prior to each trip a permission slip will be sent home for parents/guardians to fill out and return to school before the trip. No child will be allowed to go on a field trip without prior written permission from the parents/guardians.

Fieldtrips are considered a privilege that may be revoked at any time by the teacher or by the administration.

A criminal background check is required if parents/guardians are volunteering. If a parent/guardian serves as a chaperone, they must plan to attend the entire field trip (come on time and not leave early). **Other family members or siblings may not attend for the security of the students who are being chaperoned.**

Parents/guardians who were not selected as chaperones are discouraged from meeting the class at the field trip destination. Your child's safety and learning experience are of prime importance.

PARENT/GUARDIAN CONSENTS

By registering your students at The Dearborn Academy, consent for all surveys, analyses, evaluations are implied. For all other instances, (i.e., HIV AIDS, health education, photos, etc.) consent Forms will be sent home prior to the event.

BUS RULES

Students who ride the bus must comply with the bus safety and transportation policy as

outlined in the Bus Manual. Copies of the policy are available in the main office or from bus drivers. All transportation students will receive a copy of the policy at the beginning of the year.

CLASSROOM CELEBRATIONS

- All treats should be store bought and in the original container with ingredients visible (due to allergies or religious limitations).
- Passing out birthday treats is limited to the students in your child's class only. Birthday parties are **not** allowed during lunchtime or during the school day.
- Parents may **not** bring balloons in to the school for a student's birthday.
- The teacher may plan other celebrations as it relates to the curriculum at each grade level.
- Teachers will initiate planning and set guidelines for party treats and activities.
- Middle School students are **not permitted** to bring birthday treats or have celebrations during the school day.

ATHLETICS

Rules and Regulations:

A student who, after participating in an athletic contest or scrimmage as member of a middle school athletic team, participates in any athletic competition not sponsored by his or her school in the same sport during the same season, shall become ineligible for a minimum of the next three contest/days of competition and maximum of the remainder of that season in that school year. An individual may participate in sports outside the school if and only if, he or she is not participating in school sports.

An athlete who quits a squad or is dropped by a coach for disciplinary reasons after final cuts will not be permitted to participate in any sports until the following season. However, under circumstances agreeable to coaches, the Athletic Director, and the Principal, an athlete could change sports within athletic season. Also, if a student athlete receives a discipline referral and is sent to the administrator's office, the administrator has the right to remove that student athlete from the sport he or she currently belongs to and even for the rest of the year.

No student shall be eligible to represent a middle school for which there is not on file in the office of that school that states, for the current school year, that the student passed a physical examination and is physically able to compete in athletic tryouts, practices and contests.

To be **academically eligible** to participate in TDA's *middle school interscholastic athletics*, student athletes must maintain a 2.0 G.P.A. in the previous card marking and pass two thirds (4 out of 6) of their classes. During the current semester, student athletes

must also present passing grades and maintain a 2.0 G.P.A. or better during the period of such participation. Grades will be checked at each marking period and throughout the season at the discretion of the athletic coaches.

Student Athletes with G.P.A.'s that fall below a 2.0 will be declared ineligible and be required to participate in a study hall/tutorial for 2 hours per week(outside the regular school day) until the 2.0 G.P.A. is achieved and verified. *Student athletes that are required to participate in this study hall/tutorial may practice with their team but they would be ineligible to compete.*
